Dedication Page

We the staff of the 1959 Bulldog proudly dedicate this annual to the school board, who, by their knowledge of betterment for the advancement of our school, have provided a system for carrying on school activities cooperatively and educationally.

To our teachers we also dedicate this annual. They have been helpful and understanding and willing to render their services at any time. Because of their untold interest they have unceasingly worked for our educational improvement.

To our fellow students who represent our fine school we also dedicate this annual. We are proud to say that without their co-operation we would not be able to maintain our fine school system with the existing buildings and plans for new additions.

We are proud to have opportunities to put the 1959 annual out for a school that is advancing by leaps and bounds.

We also dedicate this annual to the citizens of our community, who have devoted much of their financial support, their interest and guidance. They have enabled each student a better education to prepare him for the future.

We also dedicate this annual to our loving parents. They have understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chance for success.

We hope that this annual will provide many happy memories that you will enjoy in future years and bring back these memories of years that will have passed...

This is the first year that the new Reorganized Board
has been established.

Being that this district was reorganized, the board
members have been selected from each of the dis-
tricts within the reorganized district. This is the
first year these men have been together and they
have done a remarkable job.

It has been a pleasure to have such a fine board
representing this school.

Superintendent's Message

TO THE MEMBERS OF THE
CLASS OF 1959:

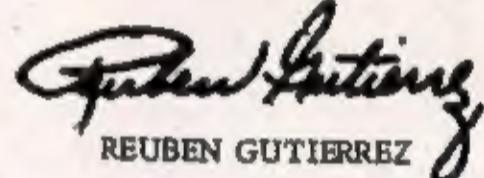

You are about to become alumni of Primero High School and for the past three decades hundreds of other young men and women have left our campus, and one of the most highly prized assets of our school is the loyalty and goodwill of these former students. Yours is a great opportunity - and it is a great challenge. The lazy of mind and body may tell you there are no more opportunities - that success is a matter of luck or pull - that there are no more trails to blaze - but that is a disgraceful refuge for

REUBEN GUTIERREZ

indolent and indifferent person. Vision, faith, integrity, the ability to make wise choices, the desire to grow - these are some of the attributes of those who will find a deep and abiding joy in their work and whose life will be crowned with high achievement. I hope that the experiences which you have had here will help you realize for yourself and your loved ones many of the dreams which you have dreamed here. Your friends on the faculty and community will watch with confidence your progress in the years ahead.

HELEN WATSON

Your friend and Superintendent,

Principal's Message

The school year of 1958-59 is steadily drawing to an end. For some this means the end of their school years at Primero High, years which I hope have been eventful and educational. Remember as you progress through life that the normal mind is active, and that the actions of men are the best interpreters of their thoughts. As you glance through this panorama of views of your school days, you will undoubtedly cherish the thoughts concerning the events that made them actual. In the years to come it will become a reminder of the happy events which have made this year an outstanding one. Congratulations to the seniors, and may the future hold only the best for you.

Your Principal,

Allen Demeer, Jr.
